

Sanjog Aul

CEO and Founder, CIO Talk Network and CTN AON
Author of The Tricycle Way

Sanjog Aul is the CEO and Founder of CIO Talk Network and CTN AON, and author of The Tricycle Way. He brings 35 years in technology, 24 in media and 18 in B2B strategic marketing. He began as a software engineer and later built and ran a technology consulting business.

Through CIO Talk Network, Sanjog has interviewed more than 1,000 enterprise business and IT CXOs from around the world. He has hosted discussions in Singapore, London, Denmark, Berlin, Delhi, Mumbai and cities across Canada and the United States.

At CTN AON, he works with technology product and services companies on thought leadership and go-to-market programs. CTN TLX brings business and technology leaders together to examine AI and go-to-market decisions with their peers.

The Tricycle Way grew out of his effort to put satisfaction and smiles alongside success. He writes candidly about his mistakes, including discovering he was missing from his daughter's family drawing. Based in Chicago's western suburbs, his speaking, moderation and advisory draw on his work as a business builder, media founder and author.

Confirm the final introduction and Sanjog's role for the agreed event.
